Visiting Egypt

Last Sunday, Mark Winter's first grad class continued their study of Moses. Like the Israelites, the children learned it takes many hands to make a brick.

Mission Opportunity

On July 22nd, the Honduras team will be departing for Izopo. In the past, many of you have not been able to travel with us, but you have participated by generously donating clothes, shoes, medicines, etc.

Due to time and effort and the airlines new guidelines on luggage, we have decided to purchase the following essentials for our brothers and sisters in Izopo:

Boots, Underwear, and Socks

If you would like to participate in this activity by providing financial sponsorship, please see Gary Nead or Aaron Coers.

Visit the Medicine Tree

Please stop by the palm tree in Family Hall and select an ornament for the items that you wish to purchase then deposit your purchased items inside the Honduras model house also in Family Hall. Please return all purchases by this Wednesday.

Men's Prayer Breakfast

There will be no breakfast this Saturday, July 4th.

Kids Clothes & More Sale

You may now register to sell your gently used children's clothing, toys or baby items at the September 12th Kids Clothes & More Sale. As a seller, you do not need to be at the sale and you will receive a check for 75% of your proceeds. The other 25% will go to Sunshine Preschool. See Sarah Mitchell for seller registration details.

Want to shop early? Volunteer on Thursday or Saturday and you can shop Friday, September 11th between 5:00 - 7:00 p.m. See Amber Witherbee for volunteer details or sign up at the table in Family Hall.

Izopo Open Update

The results from the 3rd Annual Izopo Open are in. The winning team was Tom Cooke, Brad Binder, Jon Mangum and Brian Majava with a score of 3 under par.

The real winners will be a family in Izopo as we raised enough money to build a home with a "Million Dollar View."

Thanks to Jim Sigo for again organizing this event.
